

University of South Alabama Instructional Design and Dev13 (n [()-(i)-6 (g 9.85 0 Td0 ()-1850 (d)

12. Summative evaluation (proposed)
13. Dissemination
14. Timeline or Gantt chart
15. References
16. Appendices if applicable

Documentation Notebook (May also be submitted to a SAKAI project site, please see Internship/R&D Coordinator for details)

After the R&D Projects completed, you must submit a notebook with documentation of work completed during the project to the IDD R&D Coordinator. Use a standard white 3-ring notebook binder with clear overlays. Do not put the inside pages in plastic sleeves. In the binder include:

1. Master's R&D Documentation Cover Sheets signed by your advisor and the IDD internship coordinator.
2. Abstract from original proposal
3. Narrative summary of work completed
