

7. During the course of the internship, the Supervisor will directly observe (either live or via audio/visual media) the Student's counseling work on at least 2 occasions per semester, dispersed throughout the internship experience. The Supervisor will complete a program feedback form rating the Student's skills on each occasion.
8. Provide the Student with the opportunity to become familiar with a variety of professional activities and resources in addition to direct service hours (e.g., record keeping, assessment instruments, supervisor, information referral, inservice and staff meetings, etc.).
9. Complete all evaluations, midterm and final, as well as validate and approve the Student'

- The majority of the “direct service” hours should be spent in either individual or group counseling with “counseling” as defined above.

Internship Timeframe: The expected dates of the internship from _____ and _____, and the estimated average number of hours per week the student will spend at the internship site is 15.
