Degree in Bachelor of Science Information Systems Catalog Year: 2012-2013 Credits Required: 120
GPA: 3.50 Credits Applied: 57

The screenshot shows the 'Degree Audit' interface for the University of South Alabama. At the top, it displays 'Degree in Bachelor of Science Information Systems' with a catalog year of 2012-2013, 120 credits required, and 57 credits applied. Below this, a navigation bar includes 'Worksheets', 'Plans', and 'GPA Calc'. The 'GPA Calc' section is active, showing a 'Current GPA' of 2.00 and a 'Credits Remaining' of 63. A 'Calculate' button is visible. The interface is overlaid with a grid of colored squares (red, green, blue, yellow) and several red circles with numbers (1, 2, 3) and arrows pointing to specific fields, likely indicating areas of interest or error.
